

# WAX POLISH BLACK BISON PASTE

150ml  
500ml  
1L

*Liberon Wax Polish Black Bison is ideal for nourishing and protecting all types of wooden furniture, including lacquers and French polishes. It is well known for its quality and pleasant aroma and is suitable for use on both antique and modern furniture items. It will enhance the natural beauty of wood, whilst also protecting it against dryness and everyday usage.*

- **Feeds, polishes and protects wooden furniture**
- **Highly lustrous and hard wearing**
- **Helps cover marks and scratches**

## PREPARATION

Remove old waxes and dirt with Liberon Wax and Polish Remover if necessary. Ensure the surface is clean, dry and free from dust.

## APPLICATION

Apply a coat of Liberon Wax Polish Black Bison sparingly with a soft, lint-free cotton cloth on a delicate (i.e.. French polished) surface or with Liberon Ultrafine Steel Wool (0000) when a deeper penetration is required. Allow to dry for 20 minutes, or until touch dry, and then buff with a clean cotton cloth or Liberon Furniture Brush for a better finish. Repeat the operation on new or very dry wood as it may require two or more coats.

**Important:** Always test product on a spare surface or inconspicuous area for colour, compatibility and end result. Remove as much of the product as possible from the tools after use. Do not dispose of residues and washing water/solvents in the sink, toilet, sewer, bin, etc., in order to avoid discharge into the environment.

## CLEANING AND MAINTENANCE

Wipe over with a cloth or duster and re-wax as required when the surface looks dull and tired. Do not wash with water.

## PRECAUTIONS

Not suitable for humid areas such as kitchens and bathrooms. We recommend the use of Liberon oils or varnishes in these areas.

20 mins or until  
touch-dry

1L = 10-12m<sup>2</sup>

Brush, Cloth or  
Steel Wool

White Spirit or Wax  
& Polish Remover
